Course Workbooks is the sole creator and copyright holder of its educational books.

The books are printed on demand by Lulu, a publishing company, and any books purchased through Course Workbooks are drop-shipped by Lulu. Although the books may be purchased directly through Lulu or from retail sites such as Amazon, Course Workbooks controls the pricing and availability of its books on these sites. The prices of items sold to schools through Course Workbooks will always be equal to or lower than at any of these other sites.

On the next page is a list of books available for purchase by schools through Course Workbooks as a sole source vendor. All titles are the 2020-21 Editions.

For more information, visit the Course Workbooks website at www.courseworkbooks.com.
